

Pattern Correction: Madeline #209

Instructions

Revised Cutting Layout – the collars were originally placed on the selvage instead of the fold, the layout for the panties was not included. Use the cutting layout below.

For Construction of Collar #1, the ruffle for the collar should be folded in half lengthwise and pressed before sewing gathering threads.

For Construction of Collar #2 & #3, use the revised illustrations showing a one-piece collar instead of a two-piece collar.

For Puffed Sleeves with Bias Sleevebands #3, the X's were left off of the bottom of the sleeve. Begin sewing gathering
